Bare Beach Area To Get Improvement To Big Lake Levee

JACKSONVILLE — Little Bare Beach, a section of the Lake Okechobee levee generally left beat-an and bare when a hurricane crosses the lake, will be strengthened before the next hurricane season.

Col. Richard W. Pearson, United States district engineer, said Tuesday that a \$750,000 emergency appropriation for repair of the levee section is available and plans for improving the strip are near completion.

Pearson described the levee as the most critical section of the Okechobee fortifications. It extends about five miles between Clewiston and Lake Harbor.

"Every hurricane crossing the lake piles up wind tides in this south 'pocket' of the lake, often causing serious damage to the more exposed levee slopes," he said.

The planned improvements consist of raising this section of levee about four feet with materials excavated from the lower lakeside slope. This plan will provide a thicker earth section in the upper half of the levee which must take the brunt of storms.

The lower part of the levee will be reduced in section but strengthened. A six-inch sand-asphalt pavement will cover the levee from near the land side across the top and down the lake side into the brem.

Nazarene Church Has New Pastor

Rev. and Mrs. Harold Elzey will arrive this weekend to make their home in Pahokee where Rev. Elzey has accepted a call as new pastor of the Pahokee Church of the Nazarene.

Rev. Elzey, son of Rev. and Mrs. R. E. Elzey of Gainesville, recently graduated from Trevecca College in Nashville, Tenn. He will preach his first sermon at the Pahokee Church Sunday.

The new pastor succeeds Rev. Robert Rutherford who has served as pastor of the Nazarene Church in Pahokee for the past two years and three months. Rev. Rutherford recently resigned as pastor to devote all of his time to evangelist work and he and his family are planning to move to Orlando within the next few days. He will conduct revival services at White Sulphur Springs and Tampa in the near future.

Rotary Governor Pays Official Visit

The Rotary Club of Pahokee was host yesterday to Walter O. LeGrande, Governor of the 243rd District of Rotary International, who is making his annual official

visit to each of the 28 Rotary Clubs in Southeast Florida. He conferred with President Claude Shirley and other local Rotary officers on club administration and Rotary service activities at a special meeting last night.

Mr. LeGrande is the owner of a Pharmacy in Daytona Beach and is a member of the Rotary Club of Daytona Beach. He is one of the 201 Rotary District Governors who are supervising the activities of some 7,100 Rotary Clubs which have a membership of 342,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Pahokee because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment, undertaking raising the standards of business and professions; and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Lake Placid Meets Blue Devils Tonite On Pahokee Field

This is the first time teams of these two schools have met on the gridiron and it is also the first time this season the Pahokee eleven will start the game as favorites to win despite the fact four first stringers, End Bobby Peacock, Center George Rozelle and Backs Carney Wilder and Melvin Tillis will be sitting on the bench. Rozelle has a broken toe and will probably be out for the remainder of the season.

Pahokee's record so far this season is 3-2-1, while the Lake Placid (Continued on Page 7)

Few Season Tickets Left For Home Games

There are four home games on Lair Field in Pahokee and you can still buy a season foot ball ticket for \$4 for four games. There are only a few left. This ticket entitles you to see the Belle Glade game on Lair Field also. The tickets will be on sale at the gates tonight when Lake Placid comes to do battle with the Blue Devils.

State Will Try To Get Back 8 Acres Of Land Near Prison

TALLAHASSEE — The cabinet voted Tuesday to continue negotiations to reacquire land it sold to the defunct Florida Ramie Products Co.

The land, situated in the middle of the state prison farm at Belle Glade, is now owned by the Reconstruction Finance Corp. It is a little more than eight acres.

The state has been trying to get the property for several months but it was sold by the RFC to private interests.

However, Commissioner of Agriculture Nathan Mayo said that contract has been cancelled and the state should take steps to reacquire the property.

He first suggested the attorney general be authorized to start condemnation proceedings but the motion was tempered to authorize Gov. Fuller Warren, Atty. Gen. Richard Ervin and land agent Sinclair Wells to negotiate with the RFC.

Mayo said if the land is not acquired by the state "we may get some undesirable neighbors."

SOCIETY TO MEET

The Pahokee First Methodist Woman's Society of Christian Service will conduct its November meeting at the church, Monday, November 6, at 3 p. m. The group will give a party in observance of the tenth anniversary of the founding of WSCS at the meeting, with members of the Okechobee WSCS to attend as invited guests. Mrs. E. B. Donnell of West Palm Beach will be guest speaker.

The Pahokee Lions Club at the Tuesday luncheon meeting accepted a budget of \$3,515 for the year. James Harry Wilkinson, Jr., was appointed as a club representative to work with the Rotary Club on an improvement and beautification program for the Port Mayaca Cemetery. Mr. Wilkinson was also named head of the committee in charge of soliciting funds for the purchase of a United Nations flag for the club.

The group made plans to sponsor a benefit football game between two colored teams to be played on Lair Field sometime this fall. Plans were also made for a home talent minstrel show to be presented by the club in December.

President Thomas Baldwin called upon chairmen of standing committees for monthly reports.

Wild Horse Racing To Feature Nov. 11 Show At Okeechobee

Something new has been added, in the form of wild horse racing, at the two-day American Legion rodeo which will be held at the rodeo arena next to the Okeechobee Livestock Market on November 11 and 12. Buck Lee, producer, stated this will be the first show of its type to be held at any rodeo in the state.

Four horses and 12 men will participate in the wild horse race. The producer explained that the horses will be untrained and never have been saddled. The horses are released from a chute, one man holds a long rope while another approaches the horse along this rope to hold him, while still another puts on the saddle and mounts him before crossing a foul line. The winner is the man who mounts and reaches the far end of the arena first. Four horses are in the arena at the same time.

The show will include four other events, bronc riding, bulldogging, calf roping and bull riding. There will also be a relay race on the first day, between the Okeechobee Riding Club members and the Bronze Saddle Club of Florida. The winners of this event will meet the Silver Spurs club team on Sunday, November 12.

Scotty Bagnell will do the bull fighting and "Brahman Bull" Roberts of Tyler, Texas, will do the clowning. A group of trick riders from the Clyde Miller shows will

perform, including the Dent Kids, ages, six and eight.

The prize money for the two days will be \$750 with entry fees added. Quarter horse and cow pony races will be staged after each day's rodeo.

Events of the day in addition to the rodeo will include a parade and cowboy square dance to be staged at the Skating Rink.

Letterman's Club Is Organized At PHS

A Letterman's Club has been organized at Pahokee High School for the first time in the history of the school. Students eligible to join include all football men who have earned a player's or manager's letter.

Officers elected were Sidney Caruthers, president; Charles Holmes, vice president; Ronnie May, secretary; Junior Holmes, treasurer, and Charles Dickson, watchdog.

The club is drawing up a constitution in which requirements for football letters and sweaters will be listed as well as specific punishment for the different forms of breaking football training.

Cinematic Chatter

By Malcolm Miller

Jimmie Fidler, famous Hollywood columnist has an interesting note in one of his recent columns. To those of you who are ardent movie fans and sort of keep up on cinematic doings these facts, gleaned from a portrait album, published twenty years ago, may prove interesting. There are about 100 of the most important screen players of that time listed in this book and a great deal of their private lives go into this history. Of those 100 stars, 34 are dead—and of the dead five were suicides. Of the 66 still living, only 13 are still active in the motion picture field—of the 13 only six are still headliners. Of the 53 still living, but unemployed in pictures, nearly two-thirds are broke today. A great number have gone down the road to utter ruin, professionally and in private life, due to habitual drinking. "Sunset Boulevard", a picture headed this way with a great cast of old-timers, including the immortal Gloria Swanson, brings out the lavish manner of living with stars of that era. They made big money and they spent it—I know one of these actors who is living catch-as-catch-can around New York, snatching a job on radio now and then, or something in a play—just getting by. This man and I worked together in dramatic stock a few years back and I know for a fact that he made and spent six million dollars in his days of stardom, in the silent. Here is a case of "easy come-easy go" being the ruination of many fine people. See you at the movies—Mal.

Ada Tillman has been elected president of the Pan American Club. Other officers will be named and plans for the 1950-51 school year will be outlined at the next meeting on Nov. 16.

Miami To Be Host To Road Officials

C., in Miami December 4 during the 36th annual convention of the American Association of State Highway Officials.

Many of the 900 delegates will be accompanied by their wives, advance reports indicate. The U. S. Bureau of Public Roads will have a representation of about 100, and a list of distinguished guests have been invited.

Prominent leaders asked to address the convention include U. S. Secretary of Commerce Charles Sawyer; Congressman Will H. Whittington of Mississippi, chairman of the House Committee on Public Works; Senator John L. McClellan of Arkansas, chairman of the U. S. Senate Subcommittee on Roads, and Commissioner T. H. McDonald of the U. S. Bureau of Public Roads.

Among those to be invited to attend as guests are heads of the Provisional Highway Departments of Canada, presidents of such large national organizations as Associated General Contractor, Inc., the American Road Builders' Association, the Automotive Safety Foundation, and the National Association of County Officials.

Major-General F. A. Hellman, chief of transportation, and Major-General Lewis A. Pick, chief of engineers, U. S. Army, have also been asked to be in attendance.

Two of Miami's largest downtown hotels, the Columbus and McAllister, have been chosen as headquarters for the convention. Sessions will be held in the city-owned Bayfront Park Auditorium. Convention entertainment events are to include a "Family Dinner" December 5, with entertainment, in the auditorium; "Florida Night," featured by entertainment and a buffet dinner, to be held December 6 at the Roney Plaza Hotel, Miami Beach, and an all-day trip to Key West, December 8, with a lobster dinner at Pigeon Key on the return trip.

Mrs. Allison said the Seal Sale will begin November 20 and continue through December 25. 6 percent of the proceeds of the Seal Sale will go to National Tuberculosis Association and will help finance medical research in tuberculosis; 13 percent goes to the State Association and 81 percent remains in Palm Beach County to finance the program of tuberculosis prevention and control carried on throughout the year by the Tuberculosis Association in this county.

Mrs. Allison says the chairmen were chosen because of their quality of leadership and their outstanding contributions to the civic life of their communities. She feels that with such leadership the 1950 Seal Sale will top any former Seal Sale and will enable the Association to expand its work even further so that tuberculosis will cease to be a menace in this county.

5-State Telephone Teamwork Clears \$1,600,000 Damage In Florida in a Hurry

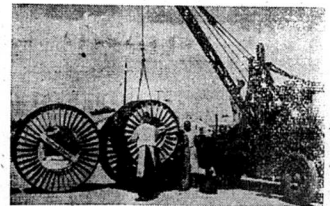

Florida has just seen another example of the importance of a sound telephone system with the facilities and the spirit of service among its employees to meet any emergency.

Before the hurricane winds had died away, local Southern Bell people were busy restoring service. Other men and materials sped to Florida by plane, train and truck.

- A large number of experienced telephone men and scores of trucks with tools and materials came from Georgia, Alabama, North Carolina and Tennessee to join those in Florida. Switchboard operators handled an unusually heavy load of calls that helped the stricken areas get back on their feet.

That's the kind of teamwork Southern Bell applies when flood, fire or hurricane strikes—teamwork that cuts days or even weeks off the time it takes to restore service. Florida folks have seen this kind of telephone teamwork many times before.

Your telephone company and the telephone men and women who serve you, fully appreciate their responsibility to the public.

MATERIAL BY THE CARLOADS—Unloading a part of the 16 carloads of cable rushed in. Other materials dispatched to the scene—a million feet of drop wire, 300 poles, two carloads of hardware and 8 switchboards.

When disaster strikes, you'll always find Southern Bell people on the job, and no effort is spared in restoring your service as quickly as possible.

The job was made easier by the cooperation and understanding of telephone users and the public in general, for which we are grateful.

Try this on your stereoscope!

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

CHURCH OF CHRIST, SCIENTIST

"ADAM AND FALLEN MAN" is the subject of the Lesson-Sermon which will be read in Churches of Christ—Scientist, throughout the world on Sunday, November 5.

The Golden Text is: "Oh Israel, return unto the Lord thy God; for thou hast fallen by thine iniquity" (Hosea 14: 1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Therefore hearken unto me, ye men of understanding: far be it from God, that he should do wickedness; and from the Almighty, that he should commit iniquity. For the work of a man shall be render unto him, and cause every man to find according to his ways" (Job 34: 10, 11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Sci-

ence and Health with Key to the Scriptures," by Mary Baker Eddy: "Mortal mind accepts the erroneous, material conception of life and joy, but the true idea is gained from the immortal side. Through toil, struggle, and sorrow, what do mortals attain? They give up their belief in perishable life and happiness; the mortal and material return to dust, and the immortal is reached" (536: 24).

At the Church of the Holy Nativity (Episcopal), Pahokee, a special Children's Eucharist was celebrated on Oct. 28th, the Feast of St. Simon and St. Jude, marking the completion of training for new acolytes.

In the Children's Eucharist the celebration of the Communion service by the priest is accompanied by an explanation of the ritual.

Begun as an experiment, the Children's Eucharist will be repeated this month on a date to be announced. It is expected that it will be continued as a regular feature at Holy Nativity.

On the 28th, Fr. Latimer, Vicar, officiated and Charles Creel, II, gave the commentary. Sammy McKinstry and Benny Baxter served.

Local Students Are Kappa Alpha Pledges

ATLANTA—In tradition-hallowed October ceremonies, 272 freshmen and transfer students at Emory University recently took the celebrated "walk around the Row", climaxing fraternity pledging activities for the new academic year.

This was the largest percentage of an entering class to join social fraternities since prior to World War II, and the second highest total in Emory's history.

Included in the new frat men, who will not be eligible for initiation until after successful completion of at least one quarter of academic work, are: Stanley L. Hooks and H. Harlan Sears, Jr., from Canal Point, both of whom pledged Kappa Alpha fraternity.

In announcing the names of those pledges, Emory dean of students E. H. Reece commented that "the average grades of fraternity men at Emory is consistently above the all-school average. Completion of rush week each year means settling down into the really important job of school work which is every Emory man's first job."

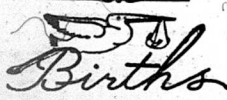

Lake Placid Meets

lads are still seeking their first victory. Although they have chalked up more first downs than their opposition they have been short on scoring punches. They are banking on Blue Devil overconfidence in plays for an upset tonight.

This is the first of a series of four home games which will wind up the 1950 season for the Blue Devils. Games to follow tonight's contest will be with Stuart, Nov. 10; Gesu of Miami, Nov. 17, and Belle Glade, Nov. 22. All of these

promise to be exciting games. Season tickets for the remaining home games are still on sale at reduced prices and one of these tickets entitles the holder to a reserved seat which will be especially desirable for the Belle Glade game.

All of us are proud of Pahokee's 1950 football squad. Though light in weight it is a fighting, well-organized aggregation that in most instances has outclassed much heavier opposition. It has taken constant hard work on the part of the coaches and the players to build such a team. To play good ball the boys need good equipment and to purchase good equipment the team needs the support of everyone in the community. Show the boys that you appreciate their fine efforts by turning out in full force at all of the remaining home games.

Mr. and Mrs. Lemmie Owens of Pahokee announce the birth of a son at the Everglades Memorial Hospital, Oct. 31.

Mr. and Mrs. Joe Alderman and children, accompanied by Mrs. A. P. Campbell of Miami, have returned from Crestview, Fla., where they were called recently by the death of Mrs. Alderman's father, D. F. Smith, age 77.

Personal

Grady T. Echols of Canal Point and Ralph Echols of Clewiston, accompanied by Wilbur Echols, were called to Roanoke, Ala., on Thursday of last week by the death of their uncle, Holston Almon.

W. A. Keen left Saturday for Tuscaloosa, Ala., and returned home Tuesday accompanied by his son, Ozell, World War II veteran, who has been a patient at the veterans hospital in that city the past three months.

Mrs. E. L. Pope entertained at her home recently with a lawn party honoring her son, Allen, on his sixteenth birthday anniversary. The hostess used the Halloween motif in party decoration and was assisted with the serving of refreshments to 25 guests by her mother, Mrs. J. V. Chastain, and Mrs. D. W. Cunningham.

Mrs. Marshall Lair and daughters will leave this weekend for Lauderdale, Ala., to attend the 50th wedding anniversary of her parents, Mr. and Mrs. C. W. Howell, which will be held at their home in that city on Nov. 8.

Dear Sir:
On behalf of the Palm Beach County Chapter, American Red Cross, may we express to you our sincere appreciation for the Voluntary Service given by your organization during the recent storm alert?

On behalf of the 2,000 persons who sought refuge in twenty-four county shelters, we are taking this means of thanking all volunteers, as well as public and private agencies which performed their duties so effectively.

We wish it were possible each volunteer could be personally thanked. That, of course, is impossible. But our thanks just the same to one and all.

Very sincerely,

Fort Pierce Eagles Down Blue Devils

The Pahokee Blue Devils were outplayed, 14 to 13, but certainly were not outplayed by those lucky Fort Pierce Eagles in the battle for top position in the Suncoast Conference Friday night.

The fighting Devils, in their charging every minute, apparently had the game on with only two minutes to go when they saw the breaks go against them and their 5-point lead melt into a one-point defeat through a brilliant Eagle pass play executed by Bob Deitz and Charles King.

The Eagles got their first break in the first quarter when they quickly kicked to the Pahokee five and promptly recovered a Blue Devil fumble at that point. After Fort Pierce failed to go in four tries Pahokee took over the ball and on the first play Alfred Meeks was caught behind the goal line by Eagle End Fred Summerlin for a safety and an important two points for Fort Pierce.

In the second quarter the Blue Devils scored their first touchdown when Quarterback Carney Wilder sneaked through from the two following a 70-yard march which featured a 33-yard run by Melvin Tillis. They hit pay dirt again early in the third quarter when they took over the ball on the Fort Pierce 34 and drove to the 10 where Bobby Peacock skirted end for the TD and Charles Dickson kicked the extra point.

With Pahokee leading, 13 to 2, the Eagles got going at the end of the third period, driving 74 yards to the Pahokee one where King went over. The payoff play for the Eagles came at end of the game when they recovered a Blue Devil fumble on their own 20, King went through the line for five yards then on the next play took Deitz's pass on the Pahokee 45 and went all the way.

Fumbles proved costly for the Blue Devils but they played a fine game of football.
